DISCLAIMER:

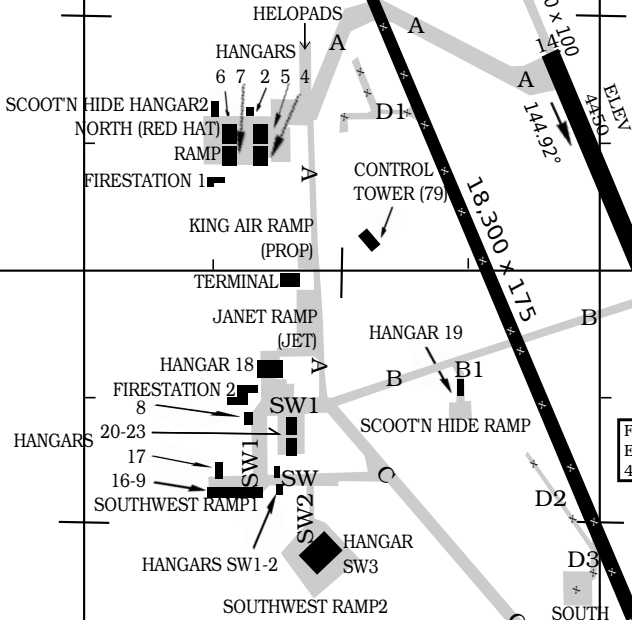

This chart is created for flying simulation purposes only, and elaborated as part of the FGFS scenery package update for Homey Airport. It does not attempt to create an accurate representation of Edwards AFB Detachment 3 Aiport. FAA sources for ground at this airport remained not available at the time of elaboration.

Although information had been obtained from publicly available sources, none of it has been or can be verified.

Edwards AFB Detachment 3 remains buried within restricted airspace and real life flying is outlawed except for authorized aircraft.
